

Saddle Lake Farms

Community Wide Yard Sale

Saturday, October 5, 2013

8am to 3pm

Sellers: Saddle Lake Farms folk that desire to sell items in this Yard Sale are to display their merchandise in their yard or driveway where it can be seen from the street by shoppers. The event will occur Rain or Shine. All is expected to run smoothly, but it is strongly advised that you attend to your merchandise at all times. There is no provision for keeping tabs on your merchandise, other than the individual seller doing so. Each participating seller is operating on their own, keeping all their profits, and taking all responsibility for the disposition of their merchandise. The involvement of SLFAI is only to coordinate the event as a benefit to the community.

The association will be advertising this sale and placing signage for this event at the entrances, as well as placing "Please Don't Park on Grass" signs throughout the neighborhood during the event. Other media will also be used to advertise, and we're hoping for a successful and fun time for all.

Shoppers: Simply look for Saddle Lake Farms residents who have items displayed in a manner visible from the street. By displaying their items as such, they are participating sellers in our Yard Sale. PLEASE DO NOT PARK ON ANYONE'S LAWN.

Contact Info: You can email the Saddle Lake Farms Special Events Committee by clicking on:
